Secretary to the Government of Mysore,
Revenue Department, BANGALORE.

SIR,

Subject Acquisition of Door No 2, Jumma Masjid Road, IV Division, Bangalore City for the construction of bathing ghat and urinals behind Chowdeswari Temple

---

With reference to Government Notification No L 12397/Ml 22-45-87 dated 10th May 1946, authorising the Special Land Acquisition Officer attached to this Municipality to hear objections under Section 5(A) Land Acquisition Act, I have the honour to state that only two objection petitions ~~were~~ have been received and they state as follows -

1) One Mr P M Gurubasappa s/o Mylar Setty has filed a petition on 25-6-1946 stating that Door No 2, Jumma Masjid Road, Bangalore City is his ancestral property and has been in possession and enjoyment from a long time He further states that this property was used by his ancestors for the purpose of running a gymnaseum and his father also intends to construct a building on the site for the same purpose Hence the question of acquisition of the said property may be dropped etc

2) One Mr G Gurubasappa residing in Door No 5, New High School Road, Visveswarapuram, Bangalore City has presented an application on 26-6-1946 stating that the property in question belongs to him and is in his possession. He further states that it originally belonged to the veerasaivas of Ramannapet and they were contemplating to put up a decent charitable

p t o

building on the site for the general use of the community people and as such he and the community people strongly object to the proposed acquisition of the property

In my opinion the objections raised by the applicants are not tenable But any how the names of the petitioners have been included in the enclosed draft final notification

As per recent circular No A4 D Dis 4009/45-46 dated 15-6-1946 received from the Revenue Commissioner in Mysore, Bangalore, the Revenue Officer attached to this Municipality has drawn a mahazar on the spot and has fixed the value of the land at Rs 15/- per sq yard against Rs 10/- per sq yard fixed by the Municipal Engineer in the valuation statement prepared by him So the estimated cost of acquisition will come to about Rs 4300/- and the same will be met out of the provision made under "D3" compensation in the current year's budget.

The draft final declaration statements in duplicate both in English and Kannada are herein enclosed for kindly arranging publication in the Mysore Gazette

I request that orders of Government may kindly be obtained for the said acquisition authorising the Special Land Acquisition Officer attached to this Municipality to take orders for the acquisition under section 7 Land Acquisition Act

The Compiler, Mysore Gazette, may be requested to send 20 spare copies of notifications to this office as usual

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner

Forwarded with compliments

Honorary President.
